

## QUESTIONS FOR THE FERTILITY CLINIC

- What specific tests would you recommend to diagnose my infertility? How invasive are they? How much do they cost?
- How long will it take to diagnose our problem?
- What are the most commonly recommended fertility treatments you offer? How successful are they? How much do they cost?
- Does your clinic offer any specific technologies that can increase our chances of conceiving?
- Will my insurance pay for the testing and/or treatments? Will your clinic help me determine what my insurance will cover?
- Does your clinic provide emotional counselling, or can you refer me to a counsellor who deals with fertility problems?
